

EXPRESSION OF INTEREST

The Namibia Statistics Agency (NSA) is inviting Exhibitors for the third Namibia GIS-NSDI Forum 2024 to be hosted in Windhoek from 16 - 17 October 2024.

Namibia successfully held her first and second GIS-NSDI Forum in Windhoek in 2018 and 2021 respectively. We are excited to inform you that the third edition of the forum will be held under the theme **“Data Driven Policy and Decision-making Through Sound Spatial Data”**. The forum brings together industry professionals, academics, students, and the public from across the country, and internationally to deliberate on the importance of geospatial information in spatial planning. We are thrilled to invite you to exhibit at the upcoming Forum, hosted by NSA. Topics featuring this year’s forum entail:

1. The Role of Spatial Data in Enhancing Public Policy
2. Use of GIS for Environmental management and policy
3. Smart Utilities and Resilient infrastructure
4. Economics benefits of Spatial data
5. Disaster Management and Emergency Response Using Spatial Data
6. Data Quality and Standards for Reliable Spatial Information
7. Innovations in Spatial Data Collection and Analysis
8. Citizen Engagement through Open Spatial Data

Why Exhibit?

- Connect with industry over 150 leaders and decision-makers, GIS professionals
- Showcase your products/services to a highly targeted audience
